THE PROGRAM

In 1984, an Italian Language Program was successfully initiated in Seattle under the directorship of the local chapter of the Società Dante Alighieri. Since that year, the Italian Language Program of the Dante Alighieri Society of Washington has grown as the ideal place to learn Italian Language and Culture in Seattle.

CLASSES

Three classes are offered every fall, winter and spring at three levels: elementary, intermediate and advanced. Additional classes may be scheduled as needed.

SCHEDULE

The school year extends from late September to early June with a class break every 10 weeks. Each course begins in the fall and lasts 30 weeks (three quarters). Classes meet twice a week on Tuesdays and Thursdays evenings.

LOCATION

Seattle University Campus, Administration Building (33). Our classes are held on the campus of Seattle University. However, the Dante Alighieri Society - Italian Language Program is a self-sustaining, autonomous program independent of Seattle University.

WHO MAY PARTICIPATE?

Anyone interested in learning or advancing his/her knowledge of Italian language.

Intermediate Level

(Second Year - Three Quarters):

The intermediate level is the second half of the elementary class or for people who have already studied some Italian. Students will become familiar with more difficult grammar structures. At the end of the course, students should be able to communicate well in daily situations.

Advanced Level

(Third Year - Three Quarters):
